Organic Cotton Jacquard Knit

Our new Organic Collection comes in soft jacquard-knit, consisting of up to three thread systems!

As a result it is not only super soft and form fitting but also extra cuddly for the colder days.

The soft organic cotton provides you with a comfortable feeling and a clear conscience.

Sustainable, trendy and fair
– this is Moshiki.

The whole Organic Collection is made in Kathmandu, Nepal under fair conditions. Moshiki makes sure to provide a fair payment, a safe working environment and supports the people who work with them.
